### CLUSTER PROJECT

Subject: Kiriwina Aid Project UPDATE - Stage 1 completed

To: [members@rowvillerotary.com.au](mailto:members@rowvillerotary.com.au)

Hello All,

Just an update on the Rotary Kiriwina Aid package

Stage 1 of the project has now been completed. This entailed sourcing manually operated hospital beds from Reservoir Private Hospital and sending them to Kiriwina in a 40 foot container. There was a delay with negotiating the release of the container from the Port of Alotau on the PNG mainland however this was finally overcome and the beds are now in the hospital on Kiriwina Island. Please see the before and after pictures attached which show one of the four upgraded wards. We are now able to proceed with Stages 2,3 and 4.

Thank you to all those people who have contributed to this very worthwhile project.

## CALENDAR/PROGRAMME
