Presidents Report for 13 June 2018

We had a good turnout of members and guests who attended last Wednesday night's meeting. Our guest speaker was Monash Crime prevention Officer Senior Constable Josephine Pokiri from Oakleigh Police who was accompanied by with Adam Davey who is the Officer in Charge at the Oakleigh Police Station. Josephine gave us a valuable insight into the work the Monash Crime Prevention group undertakes in the City of Monash. The largest percentage of crimes according to Josephine is

burglaries, both residential and commercial, and motor vehicle theft. A recent survey of crimes committed in local government areas found that Monash ranked 57 on a scale of 1-79 which is interpreted as a reasonable result but could be better. Much of Josephine and her group's work is done in crime prevention involving security audits to residential homes and business' especially jewellery stores with staff training and recommendations for installing better security but as she has found only around 5% of these businesses are in a position to provide for upgraded security. Josephine's key message was to **take ownership** for your own personal security, install security devices ie. 'ring door bell' and security cameras but the most importantly is not to be **complacent**. We thank both Josephine and Adam for making the time to come and to talk to us on an area that is of major concern to all of us.

The **Hamilton Place Market** was held on Sunday and after the initial cold start to the morning the day progressed with wonderful winter sunshine. As it was a long weekend Stall holder and public numbers were a little down however taking were still good with stall holders bringing in \$553.00 and the BBQ's \$504.00 before expenses. Thanks to Robyn, who has taken on the role of market coordinator while Beth is away, and to those all those Club members who once again contributed to the success of the market and also a special thanks to Jay for assisting with the BBQ.

A further reminder to all members and honorary members that our Club changeover night is now only 3 weeks away. Keep this night free and to come along and participate in this special night for our Club. The date is **Wednesday 27th June** at LOC.

IMPORTANT NOTICES

FUNDRAISING – MT WAVERLEY MARKET

Despite a very cold start to the day and several stallholders unable to come due to illness, work commitments and 2 of them getting married (to each other), the sun came out and there was a very good atmosphere with plenty of foot traffic. Stallholders takings were \$535, and food and drinks \$503.50 (before expenses).

Many thanks to all the volunteers who made it such a successful day.

Geoff, Terry and Roger set up in the cold. Fiona and Jay did the cooking of sausages, onions, bacon and eggs. Lyn, Adrian, Robyn, Keith and Nicholas from Ray White helped with the food service. Miranda and Robyn collected from the stallholders and Miranda took photos for Instagram. Terry, Keith and Paul packed up so it was a real team effort today.
