President's Report

As our meeting day fell on ANZAC day, a meeting was not scheduled. ANZAC Day is a time for remembrance, and reflection on the sacrifices made by so many in the two World Wars, and all of the conflicts since. While we acknowledge those that have returned, we remember that there are many currently serving, and we wish them a speedy and safe return. It is time also to remember the sufferings of so many that have returned with serious mental trauma. Despite major advances in medical science that has helped more effectively categorize and treat war neuroses, death and permanent disability well after returning from serving remains tragically high.

"Lest We Forget"

We have the opportunity to attend a production of "84 Charing Cross Road" at the Peridot Theatre on Thursday 7th June. Each year we have the opportunity to attend this fundraiser, and it is a great night to see a show, have a social night together while at the same time assisting Rotary. Please let Robyn know if you are interested. The flyer appears below. Robyn has also been working on having a sign erected in the Mount Waverley Community Centre park, advertising our club meetings. There are very many signs of this type all over Australia, indeed the World. Examples appear below. We are still waiting on a reply from the Council, but we remain confident.

IMPORTANT NOTICES

1.

This charming true story of the business letters between a struggling young writer in New York and an antiquarian book store in London. They are about the love of good literature. The story unfolds over a period of 20 years from 1949 when Helen Hanff first writes to Marks & Co. and ends in 1969 with the death of Frank Doel the delightfully dusty supplier of so many dusty old books to Helen.

RC of Forest Hill is raising funds for the Hope Katolo Nursery School in Kenya
